Mr. Dealer, when a man-

advertising plans to you, give  
him the facts.

"I don't know all about ad-

the goods on my shelves that  
are advertised in The Star

"And, by the way, these  
newspaper advertised goods are  
not on the shelves."

"They are out in the show

counter."

"Tell him he could have

Proposed Extension of the  
City Mail Delivery System.

TO SERVE NEW SECTION

Charters Issued by Corporation  
Commission—Local Military Com-  
pany Recruiting to Full Quota.

Special Correspondence of The Star.  
ALEXANDRIA, Va., March 14.—CITY  
mail delivery service may be extended  
to the recently annexed city territory,  
which formerly comprised a part of  
Alexandria county. This includes  
Braddock Heights and Cottage Park, it  
is stated.

The question of furnishing city de-  
livery to the residents of the territory  
has been taken up with the Post  
Office Department by Dr. W. M. Smith,  
postmaster.

Should this section get city delivery  
service it would mean that they would  
obtain two deliveries daily, one at 8  
a.m. and the other at 2 p.m. It also  
mean the appointment of two addi-  
tional carriers in the city service.

Residents of the territory, under the  
rules laid down by the Post Office De-  
partment, will be required to have  
streets lighted, sidewalks numbered  
and also have sidewalks laid.

Charters Granted.

The state corporation commission has  
granted a charter to the National  
Loan and Construction Corporation,  
Alexandria, with a maximum capital  
of \$2,000,000 and a minimum of \$100,000.

The objects are to conduct a building  
and loan business. The officers are C.

**BIDDING IS KEEN**

AT D. C. TAX SALE

Rivalry Among Bidders Re-  
sults in Offering of Unusual-  
ly Large Surpluses.

What is believed to be the most spir-  
ited bidding ever recorded at a local  
tax sale featured the opening session  
this morning of the scheduled seven-  
day sale of about 12,000 lots on which  
delinquent taxes are due the District.  
Surplus bids were the order on a big  
lot of property, the result of keen com-  
petition among the principal bidders,  
Charles H. Wilkie of Rochester, N. Y.;  
John Faust of Cleveland, W. H. Man-  
ogue of Washington and T. J. Rapt of  
Philadelphia.

The highest surplus offered was \$95,  
on one piece of property, sold for taxes  
amounting to \$16.15, the surplus bid  
was \$51.

Last Year's Surplus, \$4.

The surplus money will be carried  
by the District, without interest, re-  
demmed until the property is redeemed.  
In previous sales property has been  
bought in almost altogether on the  
basis of the taxes due. Last year's  
sales produced only a total surplus bid  
of \$4.
